

Julián Cabrera-Nyst

✉ jcabreranyst@ugr.es | 🌐 Website | 🆔 ORCID | 🎓 Google Scholar

Education

2024–present	Ph.D. in Physics and Mathematics , University of Granada Supervisor: David Poyato
2022–2023	M.Sc. in Physics and Mathematics - FISYMAT , University of Granada Specialization: Mathematical methods and models in science and engineering. Thesis title: Conectividad algebraica en redes infinitas y aplicaciones en modelos de dinámica de opiniones
2016–2022	Double Bachelor Degree in Mathematics and Physics , University of Granada Thesis title: Teoría espectral de operadores en mecánica cuántica

Research Publications

Preprints

- J. Cabrera-Nyst and D. Poyato, Mean field limit of non-exchangeable interacting diffusions on co-evolutionary networks, [arXiv:2606.21556](#) (68 pages).

Research Visits

Sep–Dec 2026	Laboratoire Jacques-Louis Lions, Sorbonne Université, Paris (3 months). Invited by Nastassia Pouradier Duteil
Mar 2026	Laboratoire Jacques-Louis Lions, Sorbonne Université, Paris (2 weeks). Collaborators: N. Ayi., B. Bonnet-Weill and N. Pouradier Duteil

Teaching

2025–2026	University of Granada: Matemáticas II (Grado en Ingeniería de Edificación); Álgebra lineal y geometría (Grado en Ingeniería Civil y ADE).
2024–2025	University of Granada: Matemáticas II (Grado en Ingeniería de Edificación, Grado en Ingeniería Química); Álgebra lineal y geometría (Grado en Ingeniería Civil y ADE); Métodos numéricos (Grado en Ingeniería Civil).

Conferences and Workshops

Talks and posters

Jul 2026	14th European Conference on Mathematical & Theoretical Biology, Graz (Austria). <i>Invited talk</i> at the Minisymposium Stochastic models and methods in mathematical biology.
Oct 2025	New Synergies in Partial Differential Equations, BIRS, Banff (Canada). <i>Invited talk</i> .
Sep 2025	Gradient flows face-to-face 2025, IMAG, Granada (Spain). <i>Invited talk</i> .
Sep 2025	Networked MathFlows 2025, Będlewo (Poland). <i>Invited talk</i> .
2023–2026	Participation in various workshops including Biomat (2023–2026), KinMAT (2024), Cabo de Gata PDE Days (2025), and Alhambra PDE days (2024).

Awards and Funding

2024	Ayudas para la formación de personal investigador (FPI) , Ministerio de Ciencia e Innovación (Spain). <i>PhD research grant of the Spanish government</i> . Reference: PID2022-137228OB-I00
2023	Beca de Iniciación a la Investigación , University of Granada. <i>Local grant of the University of Granada to introduce students into research</i> .
2021–2022	Beca de Colaboración , University of Granada. <i>National grant of the Spanish government to introduce students into research</i> .

Skills & Languages

Languages	Spanish (Native), English (Fluent), French (Basic).
IT Skills	Python, C++, C, Fortran, Octave, Wolfram Mathematica, L ^A T _E X, Git
